

*Semalytix is a fast growing start-up founded in 2015 as a spin-off of Bielefeld University. We specialise in developing products for Dark Data Understanding. Our solutions extract insights in real time to support our customers in making better decisions at the operational and strategic level. Our services apply state-of-the-art technology from Artificial Intelligence and Machine Learning.*

**We offer:**

- A young, dynamic, and motivated international team with a background from 17 different nations striving for the best solutions for our customers
- An open and flexible culture and working atmosphere
- The option to occasionally work from our second office space in Lisboa, Portugal
- Interesting and diversified responsibilities with a lot of design flexibility and high research affinity
- The spirit and culture of a fast-paced and dynamic start-up in a highly collaborative working environment
- Support and resources for taking classes related to professional skill improvement

**In order to expand our Management Team, we are seeking (full-time, as soon as possible):**

***Junior Product Manager (m/f/d)***

**Your responsibilities:**

- Implement and execute our product strategy
- Define a product development roadmap in alignment with our Sales team and be responsible for the implementation of this roadmap
- Specify and prioritise features in alignment with the different product owners and development teams
- Define development goals and sprint goals
- Define and execute a strategy for quality management of the product

**Required skills and qualifications:**

- You always work in a structured and organized way and have exceptional planning skills
- You are a highly motivated team player with great communication skills
- You have several years of experience leading projects or teams, ideally in the field of IT
- You have the ability to inspire and motivate others
- Excellent written and spoken English skills, German is a plus
- You are familiar with agile development methods

Please apply at [careers@semalytix.com](mailto:careers@semalytix.com). Your application documents (in English) should include a letter of motivation, CV, relevant certificates and references in one single PDF document.

Informal inquiries may be directed to Katharina Wendler ([katharina.wendler@semalytix.de](mailto:katharina.wendler@semalytix.de)). Positions remain open until filled. We are strongly committed to promoting equal opportunity and diversity in our team.
